

Quizzine? ?

If you enjoy a quiz and good food then this is the event for you!

It is up to you how you organise this event – the size, how many teams, what sort of food and when you serve it – but here are some suggestions.

Choose a date and book your venue. Decide on how many teams you would like and how many people in each team. Then think about food and drink and how, and when, you are going to serve it. You may be able to find a free venue, for example a room at a pub, where you can easily organise food and drinks.

Set your quiz questions. We suggest that you keep it to about six themed rounds of 10 questions and provide answer sheets to fill in. You could have a picture round, or a round that is just about food. You could play music or even have mystery foods to taste.

How we can help

We can help you to publicise your Quizzine and give you lots of advice and support to help you all the way. We can also provide some sample quiz questions to get you started.

Have a great evening and thank you for making a difference.

For more information, support or to let us know how you got on, please email community@macularsociety.org or telephone 01264 560 222.
